Reporter Bios – We understand several reporters have expressed interest in participating in the tour, although none have confirmed, but want to be prepared. Attached are pictures of those reports who've expressed interest in participating in the tour along with very brief bios. Our plan is to greet reporters at each site, introduce ourselves, and let them know the primary purpose is info-gathering for Commissioners/invited guests – however – we will have time at the end of each site visit for questions from the press. In addition, we understand one Congressional staffer may attend the Creede tour so have included her picture and a brief bio, as well. If you're aware of any other reporters who may attend, or see any on-site who are not included, please let Cynthia and me know.
